Ref: Government Endorsement No.26365-E/50-1, Development Department, dated 30-3-50.

The Superintendent, Livestock Research Station, Hosur reports that Hallikar bulls tested for service were not available when the President, District Board, Bellary applied for them last year and that he was asked to renew his application after two months. 2. In the circumstances stated, I recommend the renewal of the grant of Rs.1,500/- to enable the District Board to purchase the bulls during the current year. The President, District Board can purchase the bulls required from the Combined Sheep and Cattle Farm, Kurukuppi, Bellary district.

To A.S.

In G.O.Ms.5547 Devt., dated 19.11.1949 the Government issued orders sanctioning a grant of Rs.1500/- or three fourths of the actual cost of three breeding bulls to be purchased by the Bellary District Board during 1949-50. In his letter on p.1 c.f. the President of the District Board Bellary has stated that the bulls could not be purchased during 1949-50 due to non-availability of suitable bulls wit the Government Farms. He has therefore requested that the grant which has not been utilised may be renewed during 1950-51. The D.A.H., for the reasons stated in his letter on p.3 c.f., has recommended the request of the District Board. It is submitted that H.M.(Agri) has also recently minuted that every District Board should avail of the scheme of purchasing breeding bulls and that grants should be given to them.

In the circumstances it is for consideration whether the request of the Bellary District Board to renew the grant of Rs.1500/- during 1950-51 which has been recommended by the D.A.H. will be accepted.

Subject to orders a draft order is submitted. Finance may see before circulation.
